

## Press Release

**5.18.2009**

### **TEN 29 DESIGN MEETS THE BIG APPLE.**

CLEVELAND, OHIO -- Ten 29 Design, Inc., a Cleveland-based graphics design and communications company had their design for an upcoming event featured on PR Newswire, MultiVu™ in Times Square, New York. The "Grand Canyon / Go West" design was part of an entire campaign created for Case Management Society of America located in Little Rock, Arkansas. CMSA is one of the of the most open forums for examining critical, timely and cutting-edge issues confronting the world of health care case management, including payor/insurers and hospitals/providers.

"It was amazing to see our work advertised in the heart of New York City" said Kelly Frye, Ten 29 Design owner. "We're fortunate to work with clients that see the value of marketing opportunities reaching out to millions."

...

Ten 29 Design creates communications for a large variety of clients including local and national accounts.

PR Newswire is a global company of industry experts offering complete, turn key communications solutions, connecting organizations and communicators with their target audiences - the media, consumers, clients and investors - on a general or highly specific basis.
